Take pains to refrain from sharp words. Pardon one another so that later on you will not remember the injury. The recollection of an injury is itself wrong. It adds to our anger, nurtures our sins and hates what is good. It is a rusty arrow and poison for the soul. It puts all virtue to flight. – from a letter by Saint Francis of Paola

If you truly want to help the soul of your neighbor, you should approach God first with all your heart. Ask him simply to fill you with charity, the greatest of all virtues; with it you can accomplish what you desire.

Demanding fairer policies in Tunisia

Resource mismanagement and unfair international conditions trap Tunisia in debt. Development and Peace — Caritas Canada's partner, the Tunisian Economic Observatory (OTE), analyzes the country's debt policies, and informs Tunisians about economic issues, enabling them to demand fairer and more equitable policies to promote sustainable development that benefits everyone.

This Lent, discover the work of OTE by reading the [Mini-magazine](#) on the credenza by the entrances, and watching their testimonial video
